

Thames Valley Section Odiham Bash

CYCLEMOTOR A-GO-GO " GIVE THEM N.A.C.C.MEMBERSHIP FORMS INSTEAD OF NATIONAL HEALTH PRESCRIPTIONS " was the cry, and that sentiment is easy to understand as along with V.M.C.C. Cyclemotor runs the N.A.C.C offer the most relaxed and friendly way to spend a day , and yes these runs are therapeutic, flattening the furrowed brow , easing the angst and smile inducement are all provided free . This was the Thames Valley Groups 11th Odiham run and it was as enjoyable as the previous 10 . Never yearning to be the biggest event on the calendar but just providing a pretty route , decent pub , two exquisite hand crafted trophies and a riders free draw prize to make your parts wilt , and so it was . 28 machines took part including such desirables as Vincent Firefly , Itom Tourist , Motamite , Nasseti Pellegrino and Mini motor .

A full report will appear in the next issue of Buzzing .

Thanks to all who came, the riders and their mates for making it such a nice day.

Safe riding
Colin .
