

NACC National Rally 2010

A BIG thank-you to all the team from South Staffs for having organised a brilliant weekend National Rally at Old Wulfrunians Rugby Club for us; from signing-on with Liz and the fab info sheets/goodies/local attractions in a black handbag(!), the under-cover bike shed, the Saturday newspaper of your choice delivered to your door in time for breakfast (yes really!), vast amount of camping room on the rugby pitch, full English cooked breakfasts in the clubhouse, a great run to Ironbridge, fabulous Saturday night dinner with superbly-cooked roast pork, excellent service from the waiters/waitresses, luscious barmaids behind a well-stocked bar, great sun-drenched run out to Cosford museum on Sunday..... absolutely superb organisation of everything. Can we do it again next year please??

Riders assemble, l to r, Josie Stanley, Dave Casper, Jim Reynolds & John Aston, Bob Jeffcoat & Bob Terry engrossed in a phone call

Recycling of Pugh spares

Long technical discussions took place

Saturday night dinner- Bob Terry addresses the troops. Just look at the length of that bar....

Sunday run out to Cosford, the sun shone and a Teagle came out.

More of what runs are all about, this time in the sun
