

North Wilts section Autumn run from the Red Bull Inn Malmesbury October 17th 2010.

Our last run with a good turnout of 10 people and 9 bikes. A pillion rider for the first time! Very special thanks to Clive and Anne who called to join us on their way to Mid Wales for a holiday. Two non members ,I hope you both join soon and we see you again. One of the unusual bikes was a 1985 Honda H100 with 62000 miles on the clock, not bad for a small 2 stroke. David Benns Norman was able to overtake everyone, it is not often we see these. No breakdowns I am pleased to say.

Riders were as follows:-

Dennis Iles - NSU Quickly, Rod - Western Puch Monza, Geoff Brooks - James Comet, David Skinner - Mobylette AV50, Alan Burton - Honda NC 50, Clive and Anne Fletcher- Piaggio MP3, David Benn - Norman 98cc, John Mockett - Honda H100, John Hembrough - Mobylette. Sweeper Car - Richard Woodbridge

**Many thanks to all
Richard Woodbridge**
