

The 2008 Coast to Coast

Awaiting the story (no change there then) but here are the first pictures of this years run. Some more pictures are expected soon but in the meantime I have tried to make the limited selection as exciting as possible.

John Aston, Honda C50 `Automatic` at Hartside Pass summit

John Aston`s Honda (and helmet)

John Aston and Honda (unhappily without his helmet in this shot) but featuring his backpack

No sign whatsoever of John Aston his Honda, his helmet or his sodding backpack.

Derek Ashworth (left) and Andy Speak at Uldale Moor on their New Hudson autocycles

Colin McGrath on his NSU Quickly and some other members

Colin McGrath on his NSU Quickly and some other members about to be abducted by aliens.

Colin McGrath Again (I think it might be his camera)

Colin and Sherwood Grimshaw with some old sailor.
