

SOUTH WEST LINCOLNSHIRE SECTION MAY RUN

Eight riders (and most unusually one pillion passenger) and friends assembled in Colsterworth for tea and biscuits before the start of the first South West Lincolnshire Section Run on May 18th 2008..

An almost uneventful run to Wymondham Mill for lunch where John Green's wife decided that although you meet the nicest people on a Honda, she was opting for the comfort of a Fiat Doblo for the return journey.
