

## Stafford Show October 2008.

Twice a year the NACC have a stand at the Classic Motorcycle Mechanics Show at Stafford. Various Herberts stand around and accost paying members of the public, encouraging them to "Take The Queen's Shilling" and join the club.

As has now become traditional, a less than realistic cardboard cut-out of Dave Beare takes advantage of the event to flog off his books whilst the real one props up the bar.
