

SOUTH WEST LINCOLNSHIRE SECTION RUN JULY 20th 2008

The South West Lincolnshire has now been in existence for about a year. We have now had four runs and attendance has risen from two (the two founders, me and Vince) to ten riders plus family and friends on this July outing. As usual we met at Vince and Mel's house in Colsterworth for tea and biscuits before leaving in a haze of blue smoke at 11.00am. Vince's route took us through the Vale of Belvoir to our lunchtime destination at the "Dirty Duck" pub on the bank of the Grantham Canal (or "the cut" as I was reminded it should be called) where the bikes attracted the attention of some of the customers. All riders completed the journey with no mishaps or breakdowns and the rain held off for us.

Thanks to all those who attended some from a fair distance away.
Our next run will be on September 14th 2008 and all are welcome.

The riders were David McKenny (Puch M50 GP), Roger Simpson (NSU Quickly F), Brian Brimson (New Hudson), Les Gobbett (Honda PF50), Mark Astill (Raleigh RM8), Alan Sharp (Aprilia Sonic), John Green (Honda 90 a gold one), Vince Shreeve (Raleigh RM8), Peter Lawson (Puch MS50), Mike Green (Raleigh Runabout).
