

NACC Frolics at 1000 Bikes weekend at Mallory Park July 2008

Team NACC Mallory Maniacs

Hot off the presses comes this video report from the 1000 bike event at Mallory Park. It was attended by a large contingent of NACC riders.

Dave Beare had the great presence of mind to record the event on video for the website. All the clips are fairly short but the quality and sound is pretty good.

To Play The Videos

Go to the bar of controls at the bottom of each screen and click on the button that looks like the one on the right.

It will take a little time to download the first time you try one - this is because the files used are quite large. They could be smaller but the quality would be worse.
