

## NACC at The NEC Show 2010

After last year's much acclaimed show we thought we would be struggling to better it; but if anything, 2010 was an even greater success for the club.

We received congratulations from the show organisers and fellow exhibitors, both for the machines on display and the NACC stand itself. A lot of people went away happy with all the helpful information they received from those manning the stand. We were very busy for all four days signing up 21 NEW MEMBERS (a record for one event), and selling a varied selection of club regalia.

These things don't just happen overnight, and much appreciation must go to the club members who supplied us with the bikes and spent a lot of time over the weekend on the stand.

The machines on show were as follows: The Twins, Raleigh Runabouts, Mandy Cooper and John Burgess Nassetti and Cyclemaster, Dave Casper Velosolex, Bob Terry and Liz Butler Her-cu-motors and Autocycle John Aston and Jo Stanley

Once again many thanks to everyone for their hard work and good humour over the four days.

All club members beware; Dave Casper has lots of shower gel to sell!!!
