

Classic Vehicle Show at the Silverwood Miners Welfare on May 29th

The NACC has been well represented today at the Classic Vehicle Show at the Silverwood Miners Welfare Club in Rotherham.

A small but determined group braved the gusty winds and brief showers to produce a six bike line up which were very well received and encouraged quite a few enquiries about NACC membership.

Many thanks to Mobymagic for organizing the event, and John and Mandy for coming over from Crewe with bikes, coffee and good company.

All proceeds are going to the Yorkshire Air Ambulance.
