

North Wilts run from The Prince of Wales Royal Wootton Bassett. 10th July 2011

Lovely weather and a great turnout. My first ride with my Puch Maxi which was given to me last year after being stored for 20 years.. Passed the MOT first time with just new tyres. Many thanks to Dennis who sorted it out for me.

Alan Burton from Bristol rode his second time out Gilera Touring and John Strange brought his lovely Sun 125cc complete with picnic basket. No breakdowns although Steve Natts Puch coughed a bit to start with and Johns Sun died twice and had to be left to cool down for 10 minutes each time before it would restart. Many thanks to all for coming.
