Who we are

The National Autocycle & Cyclemotor Club Ltd (NACC) a company limited by guarantee is a club for cyclemotor, autocycle, and moped enthusiasts. We organise meetings & events for club members. We publish a regular journal "The Buzzing Club®" newsletters that is sent to club members by post..

The data we collect

We collect personal data from our members. We hold names and addresses for all club members. We also keep a record of the members who take part in our events. We collect names and addresses of any non-members who take part in our events as day members or use the services of the clubs machine registrar. We do not need to hold telephone numbers, but do so for those members who choose to supply them when corresponding with Officers of the Club. A copy of the data held on a club member is supplied to with the annual subscription renewal notice.

What the data are used for

Data is solely used for club purposes. Personal data is provided to our printer solely for the purpose of communicating with members: sending 'Buzzing' and membership renewal notices. Local sections can also contact members about events in their area, provided the member has consented to this by opting in to appearing on the membership list on renewal.

Cookies

We do not use any cookies on our website

Data storage

Members' data is held on computer by the membership secretary. For security back-up, a paper copy of all current membership subscriptions is also retained. The original 'sign-on' sheets listing who attended club events are retained by the club's Events Secretary; these records are not on computer and are not cross-indexed to the membership list. For insurance purposed, the data is retained for a minimum of six years.

Subject Access Request

These may be made by e-mail or post to the club's secretary.
