

The Earl of Zeltand boat in North Shields was the mooted meeting place for the inaugural meeting of the new NACC section based in the North east 'The TWITTS' (Tyne Wear including Tees and Tweed); and what a night it was!

The attendance ran into double figures and there was a most eclectic mix of machines spanning decades and many unique marques, for members and visitors alike to enjoy. As it is with lovely old machines, many folk passing stopped and had an interesting chat. Three members actually travelled to the meeting on their bikes. Chapeau then to John Sabiston (Cyclemaster), Ian Wood (NSU Quickly) and Tom Norman(Puch).

Over drinks in the comfy bar it was agreed by all that a vibrant scene was upon us and that many more might be interested. Ride outs, social meetings, social media and shows were discussed for future.

Hopefully this encouraging start does prove that our region, which does excel in classic car, veteran cycle and motorcycle clubs will have a bustling, buzzing and bright future. To be part of it we look forward to seeing you at the same venue in September on the last Thursday (27th). Please bring a machine if you can, if not the welcome still awaits. Enquiries regarding the section please contact Colin Liddell on 07887 640577 or email colin@vatis.co.uk. TWITTS meet on the last Thursday of the month, rain or shine. Please check the NACC website for venue as we hope to cover the areas in which our membership live.
